**Relocation of Navajo Division of Health Administrative Offices**

Window Rock, AZ – The Navajo Nation Facilities Maintenance Department, the Navajo Office of Emergency Management and the Navajo Nation Occupational Safety & Health Administration has announced the imminent closure of Administration Building #2.

The building is tentatively scheduled for closure on Friday, January 4, 2013 at which time all personnel vacate the premises and will not be authorized for re-entry until remediation or renovation of the facility is completed. Currently, all of the program administrative offices in Administration Building #2 will be temporarily relocated to various locations within the Window Rock governmental area.

The following NDOH program administrative offices will be temporarily relocated effective Monday, January 7, 2013 until further notice:

**NDOH Executive Administration**

Administrative & Finance Support  
Management Information Systems  
Planning, Research & Evaluation

**Navajo Research Office – IRB**

**Navajo Epidemiology Center**

**Office of Environmental Health Administration**

**Community Health Representatives Administration**

**Department of Behavioral Health Services Administration**

**Navajo Area Agency on Aging Administration**

**Health Education / HIV & Teen Pregnancy Administration**

**Breast & Cervical Cancer Prevention Administration**

**Women, Infants & Children Nutrition Administration**

**Navajo Special Diabetes Project Administration**

**Navajo Food Distribution Administration**

A finalized directory with phone numbers and locations will be release as offices get established. All employees and the general public can access updated information on the Navajo Division of Health website at [www.nndoh.org](http://www.nndoh.org)
